OFFICIAL PAPER OF THE CITY OF TORRANCE

Published weekly at Torrance, California, and entered as second-class matter January 26, 1914, at the Postoffice at Torrance, California, under the Act of March 3, 1879.

THE HERALD'S PLATFORM FOR TORRANCE

- 1—Ornaamental Lighting System. 2—Interchange of Freight Between P. E. and Santa Fe. 3—Western Avenue Bus Line. 4—Hollywood - Palos Verdes Parkway. 5—New School North of Carson St. 6—Aviation Field. 7—Co-operation of All Torrance People, Firms, Industries and Other Agencies, to Induce Torrance Workmen to Live in Torrance. 8—The conduct of All Local Affairs in a Spirit of Neighborly Friendliness and Constructive Co-operation to the End That the Peace and Prosperity of All May Be Encouraged by an Alert Civic Consciousness and Patriotism.

WELCOME TO MCGREW AND SONS

WITH Torrance approaching a housing problem of great proportions it is heartening to know that a firm like C. T. McGrew and Sons have announced a building program in this city.

WARNING IS HEADED; GROWTH ASSURED THE fact that the Columbia Steel Corporation is ahead of its plans for the construction of its big sheet mill in Torrance is wholesome news.

When the company announced its program Torrance was justly admonished to prevent, if possible, a boom that would send lot prices skyrocketing to an altitude above the reach of salaried men.

Recent conditions reveal that the warning has been heeded. Prices of lots for building purposes remain at a reasonable level. As long as workmen are financially able to live in Torrance, the size of this city is limited only by its incorporated area and the growth of local industries.

How to Play BRIDGE A new series of lessons by Wynne Ferguson Author of "PRACTICAL AUCTION BRIDGE"

Copyright 1926, by Hoyle, Jr. ARTICLE No. 13 In a number of these articles reference has been made to the folly of rebidding no-trumps after a partner's suit bid, just because you hold 100 aces.

Hearts—A, 8, 2 Clubs—A, K, Q, 7, 5 Diamonds—A, 7, 2 Spades—A, K : Y : : A : B : : Z :

No score, rubber game. Z dealt and passed. A passed, Y bid one no-trump, and B passed. Z now bid two spades and A passed. Y should have remembered that Z passed as dealer and that his take-out must be from weakness, probably six or more, headed by the queen or jack.

Here is another hand that has caused considerable discussion. Think it over and then compare your opinion with the analysis that will be given in the next article.

Problem No. 17 Hearts—8, 5 Clubs—A, K, 7, 5 Diamonds—Q, 10, 9, 8, 5, 2 Spades—6 : Y : : A : B : : Z :

No score, rubber game. Z dealt and bid one no-trump. If A passed, what would you bid with Y's hand? The test hands given in the preceding article have caused a wide divergence of opinion.

Answer to Problem No. 15 Hearts—6 Clubs—9, 5, 3, 2 Diamonds—A, K, 4 Spades—K, Q, J, 7, 5 : Y : : A : B : : Z :

No score, first game. Z dealt and bid one spade. What should A bid? A has the choice of three courses of action. (a) He may pass, (b) he may bid no-trump, or (c) he may double informatively.

Answer to Problem No. 16 Hearts—Q, 4, 3 Clubs—K, 3 Diamonds—10, 8, 7, 5, 4 Spades—A, J, 5 : Y : : A : B : : Z :

Score, Y-Z 18, A-B 0, rubber game. Z dealt and bid one diamond. A doubled and Y bid two diamonds. What should B bid? B should undoubtedly double.

Party Dress

Notice the lines of this stunning party dress of georgette. It is silk embroidered, the white gardenias on the shoulder lending a pleasing effect.

Mrs. Brown's Class Gives Fine Recital

Pupils of Mrs. Juliet Reed Brown appeared last Monday evening, Jan. 10, in recital at the Methodist Church. A number of parents and friends enjoyed the following program: "Dimples," "Timothy," and "Good Morning, Brother Sunshine," Jean Koppl; "Baby's Breakfast," "The Merchant," and "I Like to Wear My Pretty Dress," Virginia Steadman; piano solo, "Pavilion" (Grieg), Mabel-Ella Sweet; "Something New," "Our Hired Girl," and "The Stitches," Gertrude Mowry; piano solo, "Blow, Zephyrs, Blow," Jane Roberts; "Our Flag," "The Canary," and "Who Stole the Bird's Nest?" Mary Elizabeth Peckham; "The Love Story" and "Imp-m," Jane Roberts; piano solo, "Characteristic" (Sinding), Mabel-Ella Sweet; "The Courtship of Larry O'Dee" and "The Inn," Doris Spoon; "The Runaway," "The Telephone," and "Little Orphan Annie," Helen Beckwith; "The Radio," Maxine Brown.

Fix Co. Employees Get Divvy Checks

At a special general meeting of the M. J. Fix Company held on Jan. 15 a resolution was passed declaring an interim dividend of 10 percent payable to all employees. Checks were ordered drawn and paid to the employees at the meeting.

The successful operation of the business during the past three months clearly proves Messrs. Fix and Tolson's experiment of co-operative partnership a move in the right direction. At the same time they wish to acknowledge the patronage extended to them by residents of Torrance, without which such success could not have been achieved.

Legion to Put On Drive For Added Members

Will Set Aside One "Sign Up" Day for Entire State

SAN FRANCISCO.—A state-wide sign-up day for new and old members has been arranged for by officers of the American Legion, according to Dr. John F. Slavich, department commander of the World War veterans' organization. "We have called upon our more than 800 posts to assemble and organize their forces for a one-day membership campaign beginning at 7 o'clock on the morning of February 11 and ending at 7 that evening. "The department will as a result of this effort be ready to participate in the nation-wide radio program scheduled for Washington's birthday, Feb. 22," Slavich explained. "Twenty or more stations throughout the United States will hook up with the national headquarters of the Legion at Indianapolis, and at the appointed hour Howard P. Savage, national commander of the Legion, together with officials, will conduct the ceremony. It is expected that Gen. John J. Pershing will take part in the program, which, as Commander Slavich explains, "will be the greatest initiation ceremony ever held in the world, when 10,000 to 20,000 World War veterans will take the oath of allegiance for further service to their country."

Torrance Beats Redondo, Tied For First Place

Victory Over League Leaders Puts Locals Even With Top-Notchers

By defeating Redondo Beach Sunday by a score of 3 to 0 the Torrance Merchants moved into a first-place tie with the Beach City nine in the Bay District League race. Played at Redondo Beach, Sunday's game was a fast set-to. Harlan, who pitched for Torrance, let Redondo down with three hits. Two of these came in the first inning and one in the third. For the balance of the game Redondo did not connect safely once. The work of the team behind Harlan was excellent. Storti, the star shortstop of Torrance, is putting up a remarkable fielding game this season. Many spectators of the game at Redondo complimented the Torrance men on their fine new uniforms. The score: Redondo—AB. R. H. O. A. E. L. McBride, 3b.....5 0 1 0 1 1 Blane, lf.....3 0 0 1 0 0 Pierce, cf.....3 0 1 0 0

There's only one Pontiac Six -and only General Motors could build it

The Pontiac Six swept into the limelight because it came to the public representing all the skill, resources and experience of General Motors. And it has remained in the limelight from the very day of its introduction, because no other car has since appeared which offers so much for so low a price. finished in distinctive Duco colors, and such unusual fine car features as 46 lb. crankshaft, honed cylinders, full pressure oiling, automatic spark control, and bronze-backed interchangeable bearings of the costliest type. A full year has passed since the Pontiac Six was introduced—and the supreme satisfaction of 60,000 owners lends emphasis to the fact: There is only one Pontiac Six—and only General Motors could build it!

Only the economies of General Motors' vast purchasing power could make possible at \$825—Fisher closed bodies of such commanding beauty, and such unusual fine car features as 46 lb. crankshaft, honed cylinders, full pressure oiling, automatic spark control, and bronze-backed interchangeable bearings of the costliest type.
